

**25+ YEARS OF TRUSTED
SECURITY AND SERVICE**

A security camera mounted on a pole, silhouetted against a sky with soft, colorful clouds from a sunset or sunrise. The camera is positioned in the upper right quadrant of the frame.

CASE STUDIES

EXPERIENCE THE SUCCESS WITH
OUR DEDICATED APPROACH

CHOUKSEY ENGINEERING COLLEGE

Pain Point: Outdated security left key campus areas unmonitored, raising safety concerns and theft

Our Solution: Installed a setup of 600+ CCTV system with real-time monitoring and comprehensive coverage

Results: Security incidents dropped by over 80%, significantly improving safety for students and staff

“Working with Paras Enterprises for 20+ years has been seamless. They gave us exactly what we needed, when we needed.”

– Ashish Jaiswal
Director, CEC

SANJIVANI HOSPITAL

Pain Point: Security gaps in sensitive areas led to unauthorized access and safety risks

Our Solution: Installed a setup of 150+ cameras with 24/7 monitoring to secure critical zones

Results: Unauthorized access reduced by 70%, enhancing staff and patient safety

“Very approachable and quick service. They took the time to understand our concerns and delivered the solution in the right time.”

– Dr. Vinod Tiwari
Director
